Beyond Sunday:

Building Church Community Every Day

As a church, we gather on Sunday mornings to worship, grow in the Word, and encourage one another. But the heart of biblical community was never meant to be contained within just one day a week. From the early church in Acts to the body of Christ described in Paul's letters, Scripture makes it clear: we are called to live in community, to walk alongside each other in our faith journeys, and to love one another deeply (John 13:34-35, Acts 2:42-47).

Why does this matter? Because our spiritual growth doesn't happen in isolation. God designed us to thrive in relationship—with Him and with each other. As Southern Baptists, we believe in the priesthood of all believers and the importance of every member using their gifts to edify the church. Community is where discipleship, accountability, encouragement, and service come to life.

This fall, we're excited to launch Community Groups—smaller gatherings that meet in homes or around tables, where we can share meals, dive into the Word, pray together, and truly do life together. Whether you're new to the church or have been here for years, these groups are for you. If you've never joined a group, this is your opportunity. If you feel the Holy Spirit leading you to host or lead one, we encourage you to take that step in obedience and faith.

Community Groups aren't just another program—they're a way for us to be the church every day of the week. Let's move beyond simply attending church, and start truly being the church. Interested in joining or leading a group? Reach out to Jason or Patti Hedge, and they'll help you get connected.

"And let us consider how to stir up one another to love and good works, not neglecting to meet together... but encouraging one another..." - Hebrews 10:24-25

Uwharrie Community Church exists to help people LOVE God, LOVE others and LOVE sharing the Good News of Jesus. That means we WORSHIP God in every area of our lives, we love and serve those in our COMMUNITY and we take our MISSION seriously of telling others of God's love for them. We say it like this, "Love HIM, Love THEM, Tell them WHY."
