Growing in Christlike Character

As Christians, we believe that the Word of God is true, trustworthy, and sufficient for every part of our lives. In his second letter, the Apostle Peter reminds us that God has given us “exceedingly great and precious promises” (2 Peter 1:4). These promises are not only for our comfort, but also for our transformation.

Through Christ, we have everything we need for life and godliness. Peter urges believers to grow in Christlike character—adding to our faith virtues such as goodness, knowledge, self-control, perseverance, godliness, brotherly affection, and love. These qualities mark us as followers of Jesus and reflect His work in our lives.

As Christians, we hold to the authority of Scripture, the lordship of Christ, and the call to live out our faith daily. 2 Peter reminds us that Christian living is not passive—we are called to pursue holiness while standing firm in God's promises. When we do, our lives point others to the hope we have in Christ, and we bring glory to God.

Let us continue to lean on His promises, trusting His Word, and striving to live with Christlike character in a world that desperately needs to see the light of Jesus.

Uwharrie Community Church exists to help people LOVE God, LOVE others and LOVE sharing the Good News of Jesus. That means we WORSHIP God in every area of our lives, we love and serve those in our COMMUNITY and we take our MISSION seriously of telling others of God's love for them. We say it like this, “Love HIM, Love THEM, Tell them WHY.”
