Slowing Down in the Holiday Season

As we enter the holiday season, our calendars begin to fill with gatherings, school events, shopping lists, and every bit of hustle that comes with this time of year. It's easy to move from moment to moment without ever stopping long enough to breathe. But as a church family, we're reminded that this season calls us to something deeper.

The birth of Jesus was announced with simplicity, peace, and hope—not hurry. In Luke 2, we see Mary "treasured up all these things and pondered them in her heart." What a beautiful picture of slowing down and intentionally focusing on what truly matters.

This month, we encourage our church family to pause often:

- Make room for quiet moments with the Lord.
- Be present with your loved ones.
- Choose rest over rushing.
- Let gratitude settle your spirit.

As we celebrate the arrival of our Savior, may we not miss the blessings found in the stillness. Let's enter this season with hearts ready to worship, hands eager to serve, and minds anchored in the peace only Jesus brings.

May your holiday season be filled with warmth, joy, and the unshakable hope of Christ.

Uwharrie Community Church exists to help people LOVE God, LOVE others and LOVE sharing the Good News of Jesus. That means we WORSHIP God in every area of our lives, we love and serve those in our COMMUNITY and we take our MISSION seriously of telling others of God's love for them. We say it like this, "Love HIM, Love THEM, Tell them WHY."
